Professionalism – we are committed to reliable, accurate, objective, independent and high quality research.

A warm work place environment – we believe in a company culture that makes the workplace a pleasant place for every employee. We believe that a positive workplace enables our employees to work efficiently.

Doing well by doing good – we are happy that our business goes hand in hand with making the world a little better.

Integrity and courtesy – we believe that any individual should be treated honourably and honestly with a high standard of politeness and pleasantness.

Transparency – when dealing with our partners, customers and researched companies we are committed to transparency regarding our decisions and assessment.

Efficiency – we strive to continual improvement of our work process and committed to meeting our deadlines.

Get involved – we keep an open eye on today's events and offer our experience as a responsible investment research company, whenever the situation is appropriate.
